

March 14, 2020

All CFUW Oakville Members,

In response to the COVID-19 virus, our March 23 General Meeting has been cancelled. The Town of Oakville has also announced that all its Recreation and Cultural facilities will be closed until April 5.

We will continue to monitor the situation closely with the health and well-being of our members as our main priority.

The status of the April 15th General Meeting and the May 4 AGM and Dinner remain undecided at this time. However, the Executive is conferring regarding our next steps as we watch the progress of the infection and the effectiveness of the containment efforts.

The Interest Group Co-ordinators and leaders may wish to make their own arrangements regarding postponing or cancelling meetings, and do not need to wait for the direction of the Executive to do so.

To everyone, please follow the recommended health precautions and procedures to stay well during this difficult time.

Best wishes,

Lynda Sturgeoff and Gay Loveland,  
Co-Presidents, CFUW Oakville
