Andrew Welch is a popular speaker who introduces powerful frameworks for exploring our greatest present-day challenges. Drawing upon the wisdom of ecological economics, combined with a unique perspective on human value systems, he is known for making complex ideas accessible to anyone who cares about the human condition. His first book, *"The Value Crisis"*, was enthusiastically received by book clubs especially, and many of those conversations prompted a sequel, published in 2022, entitled *"Our Second Chance"*. That work was recently selected by Canada Books as one of the 100 books of the 2025 Canadian Studies Collection. He promises CFUW members new perspectives and actionable takeaways.

We are looking forward to meeting with you on  
Monday September 15, 2025  
at the Trafalgar Park Community Centre,  
133 Rebecca Street,  
for our first General Meeting of the year.

The meeting will begin at 7 but doors will open at  
6:30 to give you time to ask questions about Interest  
Groups and to greet old and new friends.

### Welcome to the 2025-26 Program Year at CFUW Oakville!

We hope you've been enjoying a spectacular summer, whether basking in the warmth, escaping to cooler retreats, or finding refreshment in a pool or lake. As September arrives (yes, already!), so too does the opportunity to reconnect as a vibrant community of like-minded women.

Our September General Meeting will be held *in person only*, and it promises to be a joyful reunion. It's a chance to rekindle friendships, welcome new faces, explore Interest Groups, meet our incoming Board members, and dive back into the energy of our Club. If last year's meeting was any indication, the room will be buzzing with laughter and lively conversation. Let's bring that same spirit again this fall!

We're incredibly fortunate to have a dedicated Board and passionate Convenors who care deeply about our members and our mission. Our shared leadership model continues to thrive, setting a powerful example for other CFUW Clubs. Alongside our Leadership Team of three, many Board roles are co-chaired, an embodiment of CFUW's former tagline: *"The Power of Women Working Together."* We're proudly bringing that phrase back this year, as it beautifully reflects the collaboration, support, and friendship that make our Club so special. Sharing responsibilities not only lightens the load but also strengthens the bonds between us.

Even over the summer, many Board members have been hard at work, lining up speakers, preparing Membership Renewal forms, and organizing Interest Groups. Their dedication ensures we're ready to launch into another exciting year.

Thank you for being part of CFUW Oakville. Let's embrace *The Power of Women Working Together* as we step into 2025–2026 with purpose, connection, and joy.

**Kyoko Kobayashi, Katherine Beaudry, Palma Robinson**

### 2025 ANNUAL GENERAL MEETING

It was my privilege to, once again, represent CFUW Oakville as the voting delegate to the Ontario Council Annual General Meeting.

As it was virtual this year, instead of two days, it was approximately two hours. A virtual meeting has its advantages as it is totally focused on the Business section of the AGM. Very different from the In-Person experience! As with CFUW National, Ontario Council is choosing to alternate each year, between In-Person and Virtual. Next year will be In-Person again and CFUW Peterborough has volunteered to host the meeting.

Although I attended the training session for on-line voting and was successful, on-line voting at the meeting proved to be a little tricky. However, thanks to technical support, the kinks were ironed out on the spot. Even with this glitch this meeting ended on time!

Part of the Business meeting included the Carolyn Day Award winner, the announcement of the Clubs having an increase in membership and the announcement of Clubs with special celebrations. The winner of the Carolyn Day Award for Environmental Action was CFUW Ottawa. Eleven Clubs were recognized for increasing their membership by at least 10% in 24/25. Fourteen Clubs are celebrating major anniversaries in 2025. As we have just celebrated our 75<sup>th</sup>, it was interesting to note that three Clubs are celebrating 80 years and three Clubs are celebrating a hundred years or more. CFUW Ottawa is celebrating 115 years!

Included in the regular Business meeting was the opportunity to vote on the two Ontario Council resolutions submitted by Orillia and Owen Sound and Area. After consideration of all the amendments submitted by Ontario CFUW Clubs, decisions are made by the proposers and an amended version of the resolution could be presented for voting. At the AGM this year, based on suggested amendments from Ontario Clubs, an amended version of the Owen Sound and Area's resolution Seniors' Advocate was presented. An amended version of Orillia's resolution Addressing the Funding Crisis in Post-Secondary Education in Ontario was also presented. None of the amendments changed the intent of either resolution. After the presentation of the motion, the proposers have the opportunity to give the reasons for its proposal and their reasons to support it. This was followed by an opportunity for discussion before the formal voting took place.

Both resolutions carried with a significant majority. The Post – Secondary Funding Crisis resolution had unanimous support.

### A Healthy Work Force Helps to Build a Healthy Economy

The Tariff wars have been the focus of media and government efforts the last several months. The following article is to draw your attention back to health care which is also a government responsibility.

#### Ontario Health Care

1. Ontario Funding for wide spectrum health care hubs received \$235 million to increase access for 300,000 patients in the spring 2025 budget. It is a dent in the estimated 4.4 million Ontarians that will not have a primary care provider by 2026.
2. In the spring 2025 budget funding to private-equity firm clinics for cataract, diagnostics, hip and knee surgery is \$280 million over two years to build new surgeries with the goal of reducing wait times. The industry wants more funding to provide a larger profit margin. An industry strategy is to upsell the patients with expensive services to increase revenue.
3. The industry skims the simple surgeries and leaves hospitals with the expensive, complex cases with less funding per surgery.
4. The medical staff are lured to the private clinics with day shifts and higher pay resulting in publicly-funded hospitals with a staff shortage and underused surgical capacity.
5. To add insult to injury the funding for public hospitals has not kept pace with inflation and population growth or reflect the complex care needs of the aging population.
6. Alberta in 2019 commenced public funding to private clinics. The cost per surgery increased 79% -far beyond inflation. The knee and hip surgery in private clinics did not increase surgical capacity or shorten wait times—the clinics draw on the same number of surgeons.
7. Why is Ontario pursuing the same funding model?
8. Urbach and Martin, U of T, suggested that an alternative strategy to reduce wait times is to remove the time-consuming method of specialist referrals and implement team-based surgical care to receive the next available surgeon. This strategy is already used for cardiac and bariatric surgery. *Opinion Article June 4, 2025 G&M David Urbach, Head of Surgery at Women's College Hospital and Professor of Surgery at the University of Toronto and Danielle Martin a family physician and Professor and Chair of Family and Community Medicine at the University of Toronto.*

#### Pharmacare

Ontario has not signed onto the Federal Pharmacare Plan, October 2024 to receive funding for contraceptives and diabetic medication. More women in BC now have access to an IUD which has a higher upfront-cost compared to other contraceptives.

Welcome to the 25/26 year! As always the Advocacy Group welcomes new participants. If you are interested in delving into current issues, advocating for issues that matter to women and participating in the review of resolutions from Ontario Council and CFUW National perhaps this is the group for you. We meet monthly until May, by ZOOM, on the second Wednesday of the month at 7:00 p.m. Last year we focused on various aspects of violence against women. ## Dragonboating

The "Sync or Swim" dragon boat team had a great year paddling with the Burloak Canoe Club this season. The weather was sunny, sometimes rainy but there were a lot of wildlife sightings along the creek including blue herons, swans, and even beavers. We had a great coach and learned some new paddling techniques. We competed in the Mississauga Canoe Club Regatta on June 8th and earned a bronze medal. Below is a picture of the winning team!!

We really appreciate the generosity of the donations made to the CFUW Scholarship Fund. These donations will help to make it possible for young female graduates of publicly funded secondary schools in Oakville to receive awards to put towards the cost of their post-secondary education. We have received over \$2500 to date. A huge thank you for all your support!

## Interest Group Activities

**Gourmet III** visited the Royal Botanical Gardens - Rock Garden on May 8. The Spring flowers were in full display and we learned about the history, special features and season long perennial displays as we toured the lovely gardens. We also enjoyed a gourmet luncheon at the Rock Garden Bistro. For some of us it was the first time visiting and 3 members are now RBG members! Here we are in front of the majestic magnolia tree at one of the garden lookout points. We highly recommend a visit to the Rock Garden!

On May 14, **Happy Hikers II** had an enjoyable hike along the Morrison Valley Trail (North). Thanks to Heather McKinlay who organized the outing. Anne's dog enjoyed it.

The **Golf** group held a planning meeting in May to organize our schedule for May till September. Great food and lively conversations!

On July 22, 22 members of the CFUW group (and two guests) golfed in the Solheim Social Scramble Tournament at Granite Ridge along with many golfers from their club - two teams of four on all of the 18 holes. Each foursome had two players representing Team Canada (red/white) and two representing Team Europe (blue/yellow/white) followed by a lovely lunch. A fun time was had by all - especially Tricia Wood who won the beautiful spa basket.

Thanks to Susan Walkinshaw for organizing the May **Ladies at Lunch** at the Oakville Club. Lovely venue, great food and interesting conversations!

**Bloomsbury II** enjoyed a nice lunch and visit to the Watering Can in May.

Great place to get gardening ideas and buy some lovely plants!

**Social Eves** met in June.

The Monday morning **Walking with Friends** group enjoyed a wonderful exhibit at Gairloch Gardens in August.
